## Testimonials

“

- Stephen Covey, New York Times Bestselling Author

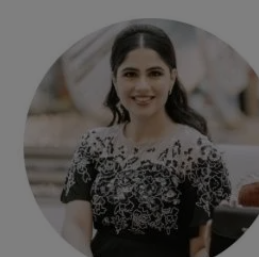

"I love it ... well done Nadine"

"I think it's a really nice framing for people to rethink how they live their lives.

The most significant idea to keep in mind is that we are not the script that other people give to us, we write our scripts.

"

- Kausar Syed, Group Publishing Director, CPI Media Group

"Nadine is a pioneer when it comes to championing women"

"She is fearless, driven and has dedicated her whole life to helping people transform their lives through her motivational speaking and hands-on mentorship. She is an inspiration to us all."

## Meet Nadine...

**Nadine Is An Entrepreneur, Author, Philanthropist, Musician, Actor, Master NLP Practitioner, 1st On-Stage Hypnotist In The Middle East And Founder Of TLD® Method**

Today, she is a renowned motivational speaker, life mentor, and a pioneer in empowering professionals in high pressure industries all over the world. Above all, she's a devoted mother to two beautiful children.

Nadine Chammas grew up in Lebanon, where she discovered her passion for singing and acting. Specialising in Dramatics and Theatre Arts, she built a successful career acting, producing, and directing plays. Upon moving to Dubai, Nadine founded the city's first children's theatre production and performing arts school. She also pioneered the introduction of drama therapy for both kids and adults in 2000.

Driven by a relentless pursuit of knowledge, Nadine became the first female stage hypnotist in the Middle East, earning her diploma from Don Spencer in Nevada. She further expanded her expertise by becoming a Master Practitioner of NLP, trained at the Matrix School.

Nadine currently serves as the President of Coaching for Nobel Manhattan UK. After a serious health scare in 2014, she developed "The Life Director" method—a unique approach designed to help individuals discover their true role and finally achieve lasting fulfilment in every area of their life, without the need for a painful transformation.

In recognition of her work, Nadine was awarded the "Best Woman in Leadership 2023" title, and recently placed front cover on CEO SCOOP Magazine which included the likes of Gary Vee.
